

DX Fanzine No. 104 – April 2022

DX Fanzine, an electronic newsletter which was originally edited in 1999/2000, brings together tips and news as contributed by individual DXers or ascertained from different sources. We are interested in any change in frequencies, times, language-services, transmitters, programme contents, phone and fax-numbers, electronic and postal address, station personnel. The purpose of DX Fanzine, which doesn't pretend to be in competition with any other electronic DX newsletter, is to provide timely and topical news and information to shortwave enthusiasts worldwide. It is available on the web at www.dxfanzine.com and updated as soon as loggings, DX news, frequency updates, as well as, QSL notes are received from any SWL around the world. Although the primary platform for delivery of DX FANZINE information remains its web site, it is turned into a pdf file, (where you can see the final version of it with loggings and information, just as they appear online), a couple of days after the end of each month and sent out FREE to anyone who has subscribed. The current as well as the previous editions of DX Fanzine (including those of years 1999/2000!) can be accessed from its home page and are there almost indefinitely.

NB: All times, days and dates are day/month GMT-UTC, unless otherwise stated. Logs are entered in frequency order. Reception quality abbreviations: P = Poor, F = Fair, G = Good, E = Excellent. Language abbreviations: AA=Arabic, CC=Chinese, CT=Catalan, DD=Dutch, EE=English, FF=French, GG=German, HA=Hausa, IT=Italian, JJ=Japanese, KK=Korean, PP=Portuguese, RM=Romanian, RR=Russian, SS=Spanish, VV=Vernacular.

Material from DX Fanzine may be redistributed, posted to any other location, published or used for broadcast, provided it be fully credited to DX Fanzine and the original and intermediate sources.

Please send your contributions to: dxf@dxfanzine.com **EDITOR:** Antonello Napolitano (AN).

MAILBAG We received thank you e-mails for sending out DX Fanzine from Consta Constantinides in Cyprus and Klaus Fuchs in Germany. We encourage other readers to send us their feedbacks. A longer message was also received from a French radio amateur Gaby Delassus **F5PSI**, who writes: *"Hi Antonello, good evening, I am not a very young SWL (aged 74, hi !) but a newcomer to your "DX-Fanzine" magazine, whom a friend made me discover recently. I started listening at the end of 1975, with the listening call **F11ECZ**, and after 14 years of careful listening, I became a radio amateur on June 6, 1990 with my wife. My callsign is **F5PSI** and my wife is Sylvie **F1PSH**. I have owned or tested over 70 receivers and transceivers over the years. We live in the North of France (Pas de Calais department). In addition to my amateur radio activity, I still very often listen to international broadcast stations, so I take the liberty of sending you this listening report, from a program tonight, Monday April 4, 2022. This is of "**Voice of Freedom**" - WCWW - from USA, (announcements in English, music, songs) the SINPO report is 44444. My current equipment is an ICOM 7851, an Icom R-9500, a Sony 2001D and an Eton E1, with various antennas, directives and long-wires, monoband and multiband. good reception of this mail".*
